Prof. Gesmar Segundo

Dr. Segundo is an Associate Professor at the Department of Pediatrics, Hospital de Clinicas, Federal University of Uberlandia. With a specialisation in allergy and immunology, he has been responsible for the outpatient clinic of patients with inborn errors of immunity since 2004. Currently serving as the President of LASID (Latin American Society for Immunodeficiencies), he actively contributes to research, medical education, and health policies to improve the diagnosis and care of patients with inborn errors of immunity.
