Dr. Pamela Lee

Dr. Lee is a Clinical Associate Professor at the University of Hong Kong, specialising in clinical immunology and haematopoietic stem cell transplantation (HSCT). She serves as the Chief of Service in the Department of Pediatrics at The University of Hong Kong-Shenzhen Hospital. Dr. Lee is an honorary consultant for the HSCT service at the Hong Kong Children's Hospital and The HKU-Shenzhen Hospital. She is actively involved in organising educational programs for primary immunodeficiencies and blood and marrow transplantation. Additionally, Dr. Lee serves as a medical adviser for PID League, a primary immunodeficiency advocacy group in Hong Kong.
